MEMORANDUM

To : Mr. E. R. Saunders  
From : W. J. Armstrong *WJA*  
Subject: Meeting of agency representatives under the Joint  
Financial Management Improvement Program

My memorandum of July 18, 1963, transmitted to you a copy of a report prepared by the Department of Health, Education, and Welfare on the results of its study of the application of statistical sampling techniques in the administrative examination of vouchers. At that time I indicated that changes in legislation were needed and would be developed to permit the use of statistical sampling techniques.

The proposed legislation is attached. We would like to have a meeting of agency representatives on November 20 at 10:00 a.m. in Conference Room 4121 Main Treasury Building to discuss both the HEW report and the proposed legislation. Hope you can attend.
